

“Decoding Pathways To Achieve Net Zero”									
Conference Agenda, Renewable Energy India Expo, 2025									
Time	Banquet Hall	Time	Board Room	Time	Evergreen	Time	Solarise	Time	Blossom
DAY 1, 30th October 2025									
10:30-11:30	Opening Ceremony								
11:30-11:45	Media Briefing								
12:00-13:00	Indo/ German partnership to accelerate investments in Renewable Energy Moderator / SV?			12:15-13:15	Presentations Session	12:15-13:15	Europe Calling: Partner with the EU Green Industry Delegation for Innovation & Business Collaboration Powered by: European Cluster Collaboration Platform (ECCP)		
13:00-17:00	The 2nd Joint CBC & REI Business Leaders Days Accelerating Global & Indian CleanTech Transformation through Innovation, Leadership & Purpose #TogetherWeAreStronger			13:15-14:00	Lunch Break	13:15-14:00	Lunch Break	13:15-14:00	
		14:30-15:30	CEO Conclave	13:30-15:00	Accelerating Clean Tech Manufacturing in India Powered by: TERI	14:00-15:00	TBC	14:00-15:00	C&I Open Access Market Trends and Opportunities Powered by: JMK
				15:00-16:00	Tea Break	15:00-16:00	Tea Break	15:00-16:00	
				15:15-16:15	Stepping up Financing for India's Clean Power Powered by: Bloomberg	15:15-16:15	Presentations Session	15:15-16:15	Industry Preparedness for 500 GW by 2030 Powered by: Frost & Sullivan
				16:30-17:30	10 Lakh Solar Homes and Counting Powered by: CEEW	16:30-17:30	Presentations Session	16:30-17:30	TBC
DAY 2, 31st October									
	Energy Storage Summit 31st Oct-1st Nov	11:00-12:00	CTO Conclave	10:30-11:30	Scaling RE in C&I via Flexibility Powered by: CRISIL	10:30-11:30	Can India Redefine Solar Manufacturing Globally? Powered by: Wood Mackenzie	10:30-11:30	Presentations Session
	https://storageindia.solarenergyevents.com/agenda/#el-875733de	12:15-13:15	Finance Forum	11:45-13:00	Unlocking Clean Energy for Industry Powered by: CEEW	11:45-13:15	Harvesting Crops & Green Molecules – Agrivoltaics + GH2 Powered by: IGEF	12:15-13:15	Presentations Session
13:00-14:00	Lunch Break	13:00-14:00	Lunch Break	13:00-14:00	Lunch Break	13:00-14:00	Lunch Break	13:00-14:00	
	ESS			14:00-15:00	Charting India's Clean Energy Future to 2060 Powered by: S&P Global	14:00-15:00	Navigating Trade Barriers in Solar Manufacturing Powered by: CEEW	14:00-15:00	Part A: Scaling renewable energy in India: Opportunities & Challenges Part B: Scaling renewable energy in India: UP Solar Energy Policy 2022 Powered by EY
				15:00-16:00	Tea Break	15:00-16:00	Tea Break	15:00-16:00	

				15:15–16:15	India's RE Auctions: Handling the VUCA Powered by: Bloomberg	15:30–16:30	Presentations Session	15:15–16:15	Viksit Bharat National Masterplan for Decarbonisation of Surface Transport Powered by: NHEV/EODB
	ESS			16:30–17:30	TBC	16:45–17:45	Presentations Session	16:30–17:30	TBC
DAY 3, 1st November									
	ESS			11:00–12:00	How can India Create a Domestic Cleantech Recycling Industry? Powered by: CEEW	11:00–12:00	Building the World's Cleantech Factory Powered by: S&P Global	11:00–12:00	BIOENERGY COCLAVE (whole day event) Session 1: Policy, Pricing, and Procurement Framework for CBG
	ESS			12:15–13:15	Financing Solar PV Manufacturing Ecosystem in India Powered by: Centrum Capital	12:15–13:15	Growth Trends in C&I RE Market Powered by: CRISIL	12:15–13:15	Session 2: Unlocking Urban Potential – Role of Municipal Corporations
				13:00–14:00	Lunch Break	13:00–14:00	Lunch Break	13:00–14:00	Lunch Break
	ESS			14:00–15:00	Global Empowering Women Session "Leading with purpose: Women Driving the Cleantech Transformation" Powered by CBC	14:00–15:00	Presentations Session	14:00–15:00	Session 3: Financing and Approvals – Enabling CBG Project Execution
	ESS			15:00–16:00	Tea Break	15:00–16:00	Tea Break	15:00–16:00	
				15:30–16:30	TBC	15:30–16:30	Presentations Session	15:30–16:30	Session 4: Technical Innovations and R&D – Accelerating Efficiency and Scalability
